Call for Poster Papers

**ABSTRACT DEADLINE:** December 15, 2017

**NOTIFICATION:** February 9, 2018

**PUBLICATION DEADLINE:** June 30, 2018

The year 2018 marks the 100th anniversary of the incorporation of the Munsell Color Company as well as 100 years since the passing of Munsell. 2018 is also the 75th anniversary of the Munsell Renotations. In June of 2018, ISCC and AIC are hosting a special joint meeting in Boston to celebrate these milestones in the world of color.

The Munsell Centennial Symposium will take place from June 11-15, 2018 at the Massachusetts College of Art and Design. MassArt was known as the Massachusetts Normal Art School when Munsell graduated and taught there for over 30 years.

The Program Committee invites submissions of poster papers that feature the history, evolution, state-of-the-art, and future directions for Munsell’s system and systems inspired by Munsell as well as other approaches to solving similar problems in science, art, industry and education. Topics include:

- **Science**
  - Color Measurement
  - Color Language and Cognition
  - Color Perception

- **Bridging**
  - Applications of the Munsell Color System
  - History of Color Systems
  - Theory and Comparability of Color Systems

- **Art**
  - Creative Uses of Color in Art and Design
  - Interactions of Color
  - Environmental Color

- **Industry**
  - Color Reproduction
  - Color Management
  - Lighting

- **Education**
  - Color Education in Science and Industry
  - Color Education in Art and Design
  - Color Education in General

There will be a special issue of *Color Research and Application* dedicated to invited and poster papers from this conference.
